

## SUMMER CLUB

We'd like to say a huge well done to all the children who attended The Ark Centre Summer Club 2015. They have all made progress and it has been an absolute joy and pleasure to have each and every one of them. Our Gina Davies Attention Autism "Bucket" pilot has gone phenomenally well; all of the children have shown progress within a group. To those who are moving on to other placements we'd like to wish you all the best of luck and we are very sad to see you leave. What an amazing summer we've had together!

## TOPIC...VEHICLES!

The topic for the upcoming 6 weeks is vehicles. The children will be learning about the different vehicles and types of transport through play, books and real life exposures. The team here at The Ark are in the process of arranging some visits to the Centre by a grab loader and post van!
