WELCOME TO THE ARK CENTRE

Christmas Holidays

We all hope you had a lovely Christmas holiday. All the children have come back on top form after a well-deserved break!!

Messy play

We have enjoyed lots of messy play activities this month too. It is a really good thing for us to experience as messy play can help with all sorts of things. It lots of development opportunities, providing sensory input and supporting fine motor skills.

Topic for the month is...

MUSIC 🎵

We have been focusing on attending to group music and doing activities to different songs.

A definite favourite for everybody has been singing songs with the parachute

Next month we will continue to look at music a bit more as well as Valentines Day and Chinese New Year
