WELCOME TO THE ARK CENTRE

## Congratulations

Our wonderful therapist Laura has had a beautiful baby boy. We can't wait to meet him.

In the meantime, we are welcoming Toni to our team. She will be here while Laura is looking after her new baby! Welcome Toni, we know you will be fab with the children

We have also recently welcome Daisy and Noah to The Ark

Here's a picture of us before Christmas, using shredded paper as snow. Safe to say we enjoyed it!

We've started making some little surprises for valentines day ♡
