WELCOME TO THE ARK CENTRE

WE ARE BACK!!!

Wow we cannot believe we are back at The Ark after so long. We are extremely excited.

Due to COVID-19 we sadly had to shut for 3 months. This was a very difficult decision for us but following government guidelines, it really was for the best.

We were not sure how the children would come back as they have had such a long time off. They have all been absolutely amazing. They seem like they have never been away.

One of our fabulous children has had to leave the centre, we are sad to say

goodbye to Hugo. We wish him the best of luck in whatever he does next.

Welcome

We would also like to give our new children a big hello and welcome. We hope you enjoy it here; we can't wait to get to know you all.

Happy birthday

We came back to the Ark on Lu's birthday, so is getting a special shout out in our newsletter. Happy birthday Lu!!!

COVID-19

Pick up time will now be 15 minutes earlier for each session. This is to give all the staff extra time to clean the toys and the centre between each group of children.

We will be asking that parents no longer come into the centre and instead drop children off at the front door. They must also stay 2 meters apart from each other.

When children come in their stuff is being cleaned with anti-bac and their hands cleaned with hand-gel. We will continuously clean toys that they have touched throughout the session.

All of the information has been emailed out to all parents.

You must not come in if you have symptoms of coronavirus. While we are following government guidelines, we ask you to do the same.
