WELCOME TO THE ARK CENTRE

It's beginning to look a lot like...  
**SPRING!!!**

We are so excited it is beginning to warm up a bit, we all love being outside but it's been too cold!

## Mother's Day

We all made Mother's Day cards for all of our lovely mummies. We know not all of the children can say how much they love you, but we see it daily, and they really do love you a lot ♡

## Monty

As you can see in our headline picture, Monty has been busy making friends with the children. All of the children are starting to show more interest in him, wanting to stroke him and sometimes try and sit on him. Monty doesn't mind any of this at all and is happy he can be there for the children.

## COVID-19

Everything is very unknown at the moment but we know there has been lots of talk of schools shutting. We will keep everyone updated as soon as we know anything. We really hope it doesn't affect The Ark!!!
