WELCOME TO THE ARK CENTRE

## The boys are back in town

We are so excited that Monty and his brother, Watson, have been back to visit us. They've been staying at home during lockdown.

Watson joined the Ark family back in August but is this first time he has met the children.

Here's a picture of Monty and Watson when Watson was a baby!

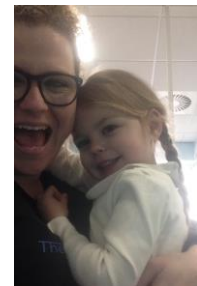

Happy Mother's Day to all the wonderful mummy's we know!

## Goodbye

We are saying goodbye to the beautiful Willow, she has brought so much joy to everyone at the centre. We will miss you lots!

Whenever we say a goodbye, it also means we get to say a hello.

We would also like to give a big warm welcome to Harry! We know you are going to love it here 😊
