WELCOME TO THE ARK CENTRE

We have enjoyed exploring a variety of messy play activities this month. We have tried to stick to autumnal colours!

Autumn Activities

We all painted some leaves we collected from the garden.

Consultancy sessions

We have had Niall, our lovely BCBA, in again month. He is so happy with how all of our children are progressing and can't wait to see everyone again next time.

Halloween happiness

We painted pumpkins, dressed up as spooky creatures, tried trick or treat around the centre and lots of other activities!

Next month

In November we will be looking at fireworks and starting to think about... CHRISTMAS!!!
