WELCOME TO THE ARK CENTRE

KEY DATES

2nd May – Bank Holiday

2nd June - Spring Bank Holiday

3rd June – Platinum Jubilee Bank Holiday

WELCOME!

We currently have a volunteer working with us called Angela. She has lots of experience working with children and with people with autism. Angela will be shadowing the staff at The Ark Centre, learning about how we provide behaviour therapy for our children and learning everything Ark Centre related! Angela has lots of experience working with children and with people with autism.

GARDEN

We have been using the garden lots more as the weather is improving – the children love using the space and exploring new resources!

TRIPS

During May, the children enjoyed trips to local swimming pools. Through our community trips, the children learn lots of life skills that are vital for their development.

We work on communicating in real life situations, practicing their general behaviour such as waiting, holding hands and taking turns with their peers. It provides an amazing opportunity for rapport building, this helps us create a better relationship with the little ones, and as always have lots of fun!

During our swimming trips, we practiced some safety awareness, holding hands and walking, and sharing resources with our friends.

THEMES

We follow varying themes throughout the year for the children. These themes promote the various areas of the EYFS such as Understanding the World, Expressive Arts and Design, Communication and Language and Mathematics.

Our themes for May and June are: space, my body, Eid, dinosaurs, the Jubilee, under the sea, and Father's Day.
